

## *close-up-magic by **Axel Hecklau***

He presents his magic in the best possible way to make you experience the unbelievable – right in front of your very eyes. The spectators won't believe their eyes e.g. when they realize their 10.- EUR bill has changed into a 100.- EUR bill - at his very fingertips.

The situation freely dictates the program. There is no need for a stage or any technical support. Pleasant communication and interactivity with your guests enhance this magical encounter. Over 20 years of experience in the performance of close-up magic have made **Axel Hecklau** a recognized specialist in this highly demanding type of magic.
